30.5.11 Kill Fees

The following fees may apply only in cases where full payment is to be made upon completion of the Freelance Contributor’s work:

If, during any time of the production of the work, the Corporation determines that the idea is not feasible or possible, the Corporation agrees to pay the freelance contributor a minimum of twenty percent (20%) of the contracted fee.

Nothing in this Article shall preclude the parties from negotiating a greater percentage of the contracted fee.

In the event the Corporation decides not to use a contribution after the Freelance Contributor has completed it according to the specifications agreed to by the parties, the Corporation shall pay one hundred percent (100%) of the contracted fee. However, no pyramiding of payments or double payments are allowed under this clause.
